

## i can't control it

Kontrust

Return, return, close my eyes  
Return, return, this disguise  
Return, return, can't control  
Return, return, wandering soul

Return, return, everything back  
Return everything from the attack  
Return, return, everything's strange  
I can't control the change

I can't control it  
It will not change  
I can't control it  
It's too far out of range  
I can't control it  
It will not change  
I can't control it  
It's too far out of range

Return, return, to the base  
Return, return, we're disgraced  
Return, return, losing fight  
Return, return, endless night

I can't control it  
It will not change  
I can't control it  
It's too far out of range  
I can't control it  
It will not change  
I can't control it  
It's too far out of range

I can't control it  
I can't control it  
I can't control it  
Can you control it?

Return, return, everything back  
Return everything from the attack  
Return, return, everything's strange  
I can't control the change

I can't control it  
It will not change  
I can't control it  
It's too far out of range  
I can't control it  
It will not change  
I can't control it  
It's too far out of range

I can't control it  
I can't control it  
Can you control it?  
I can't control it  
I can't control it

Can you control it?
