Tell the bitter bitter truth and get slandered  
Remember when truth was the standard  
Another channel speaking anger  
Come listen to all - all that we say  
There's no better better if you don't believe them  
Starting filtering the signals you're receivin'  
Another puppet caught deceiving  
Come listen now to all that we say

Just propaganda, turn off the radio  
Just propaganda, just propaganda  
Out of the radio  
Turn off the radio!  
Just propaganda, cheap propaganda  
Out of the radio  
Coming from the radio  
Just propaganda, only propaganda  
Out of the radio  
Turn off the radio!  
Good propaganda, bad propaganda  
Out of the radio  
Coming from the radio (rrrrradios)

There is little little left in every news cast  
The same old story recycled as the new past  
A sole opinion has no contrast  
Come listen to all - all that we say  
Cause the later in your mind no longer makes sense  
Whem common sense is sold for future's expense  
A single vote makes all the difference  
Come listen now to all that we say
