

I walk through the city feel like I'm in hell
You cheat on me with girl number 12
You promised me love for eternity
But now you are touching another girls knee

My friends, they told me that you are not right
But they have no clue what we do late at night
I don't know how to tell you good bye
Cause I always get weak when you're kissing my thigh

Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i
Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i

This was not
This is not
This was never meant to be
You can try
Can't rely
You can try to follow me
For the one
For the one
I for one I'm telling you
Try to get me outta mind cause there are things I gotta do

Why-i-i-i-i-i-i-i-i-i
Why-i-i-i-i-i-i-i-i-i
Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i
Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i

I-i-i-i-i-i-i-i-i
I-i-i-i-i-i-i-i-i

Why-i-i-i-i-i-i-i-i-i do I make you cry
Why-i-i-i-i-i-i-i-i-i do I make you cry

Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i
Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i
Why-i-i-i-i-i-i-i-i-i
i at daybreak we fight but in the night we don't cry
Why-i-i-i-i-i-i-i-i-i boy you make me cry-i-i-i-i-i-i-i
Boy you make me cry-i-i-i-i-i-i-i
