

Agnostic

The Kooks

Bleeding from the inside in
I never shoulda let love in
So close to my heart
And this endless kin of mine
They'll never know I'm such a swine
I'll keep that down, yeah
So come into my arms
I'll never let you come to harm
You're my girl
I'm o-o-old fashion
I'll build you a house of leather
To keep you sound

Waiting for the day
When you are mine
And I am yours

You sound still agnostic
For you I pray
You sound still agnostic
Yeah, but for you babe I do pray, pray, pray

Well, I'm bleeding from the outside in
I never shoulda let that sin
So close to my heart, yeah
This endless kin of mine
They'll never know I'm such a swine
I'll keep that down, down, yeah
So come into my arms
I'll never let you come to harm
You're my girl, girl
And you can be my one
My pizza, only one
Who I can cherish

Waiting for that day
When you are mine
And I am yours

You sound still agnostic
For you I pray
You sound still agnostic
Yeah, but for you babe I do pray, pray, pray, pray, pray!

Oh, I pray, I pray
I pray, I pray
I pray for you

You sound still agnostic
Yeah, but for you yes I do pray
You sound still agnostic
Yeah, but for you babe I will pray, pray
