

## Always Where I Need to Be

The Kooks

She don't know who she is,  
I can take her anywhere,  
Do whatever comes naturally to you,  
You know she just don't care

'cause I'm always where I need to be  
Yeah, and I always thought I would end up  
With you, eventually  
Do dodo do do do do...

Now I see her again,  
I ask to be her hummingbird,  
Whisper words in her ear,  
Oh now you know I just don't care,

'cause I'm always where I,  
Where I need to be  
I-i-i always, always thought...  
I would end up with you eventually!

I'm a man, I'm a man on the scene,  
I'm a man, and I can be so obscene  
Because I always think that I know how to be,  
But I always thought that I would end up with you, eventually,  
I'm a man, I'm a man on the scene,  
I'm a man, and I can be so obscene.
