The Kooks

Don't you know baby I'm a leading man  
I dig down deep when I say I love you  
Well I can hold my own with the best of them  
I guarantee you, you never seen nothin'  
Nothin' like this again

California say that you love me  
From all the darkness I couldn't break through  
Now, I miss the oceans when I go to sleep  
Oh man, it's gonna break your heart

Don't you know that I'll do the things I could  
I rubbed your back when you were sleeping  
But all along baby it was understood  
That you were leaving, absolutely  
The very first day we met

California say that you love me  
From all the darkness I couldn't break through  
I'm gonna miss you  
I'm gonna miss you  
I'm gonna miss you

I'm gonna miss ya  
I'm gonna miss you  
I'm gonna miss ya  
I'm gonna miss you
