

## Catch That

The Kooks

Catch that, I'm gonna catch that  
Beat that, I'm gonna beat that  
Stop that, I'm gonna stop that too  
Stop that, I'm gonna stop that  
Beat that, I'm gonna beat that  
Catch that, I'm gonna catch that too  
And when its cold outside, I hope you have a ride home  
I'll be your chaperone  
No need for those depressed eyes  
Catch that, I'm gonna catch that

Beat that, I'm gonna beat that  
Stop that, I'm gonna stop that too  
Stop that, I'm gonna stop that  
Beat that, I'm gonna beat that  
Catch that, I'm gonna catch that too  
And when I'm coming round  
Don't drop your trousers to the ground  
It's really not that bad

Mama told me, nothing's really real  
Catch that, I'm gonna catch that  
Beat that, I'm gonna beat that  
Stop that, I'm gonna stop that too  
And when it's cold outside  
Make sure you have a ride home  
I'll be your chaperone  
No need for those depressed eyes  
Stop  
Stop  
Stop that, I'm gonna stop that  
Beat that, I'm gonna beat that  
Catch that I'm gonna catch that too  
Stop that, I'm gonna stop that  
Beat that, I'm gonna beat that  
Catch that, I'm gonna catch that too
