

# Fractured and Dazed

The Kooks

I'll never give your love  
I'll never give your love away  
Remember love  
When we weren't so fractured and dazed

In a world  
Where we try to hurt each other  
I know you feel bad  
For what you did and how you recovered

I'm a blessed man  
Just to have touched your face  
But then again  
Who are you to make me replace that

And if I was you  
I would have done the same  
When lies meant truth to you  
It was you who loved the fame

I'll never give your love  
I'll never give your love away  
Woah woah  
I'll never give you up  
No matter what you say  
Woah woah

Blue eyes  
And a flicker of wonder in you  
Shadows of youth  
Never a greater sorrow

Five hundred years in the wild with you  
Wouldn't be enough  
We flying  
Too crazy to imitate

And if I was you  
I would have done the same  
When lies meant truth to you  
It was you who loved the fame

I'll never give your love  
I'll never give your love away  
Woah woah  
Remember love, remember love  
When we weren't so fractured and dazed

I'll never give your love  
I'll never give your love away  
I'll never give you up  
No matter what you say  
Woah woah

Never give you up  
Never give, never give you up  
So fractured and dazed

No no  
So so fractured and dazed  
Remember love

You're so fractured and dazed

And if I was you  
I would have done the same
