

Initials for Gainsbourg

The Kooks

Climbing up to your window
The ladder of life it moves slow
Singing the melody that you taught me
The apple you gave me rotten to the core

And I don't want your love
But I want your love
And I don't want your love

Well we don't know where we're going
But we know we got some money saved
All our tear drops exploding
And we're riding a broken wave

Jane is waiting for
Initials for Gainsbourg
Bonnie's at the door
And Clydes' in the back seat
Gangsters hold up the store
With a love song
Now we're going home
Initials for Gainsbourg

Initials for Gainsbourg
Initials for Gainsbourg

Did you see that shooting star
And it's still only daylight
All our dreams in the back of the car

We don't walk between raindrops
But somehow we managed to stay alive
We both know that the penny drops
But we don't know if we will survive

And I don't want your love
But now I want your love
And I don't want your love

Well we don't know where we're going
But we know we got some money saved
All our tear drops exploding
And we're riding a broken wave

Jane is waiting for
Initials for Gainsbourg
Bonnie's waiting at the door
And Clydes' in the back seat
Gangsters hold up the store
With a love song
Now we're going home
Initials for Gainsbourg

Now we're going home
Initials for Gainsbourg
Now we're going home
Initials for Gainsbourg

No one knows where we go
Initials for Gainsbourg
No one knows where we go
Initials for Gainsbourg
No one knows
Initials for Gainsbourg
Now we're going home
Initials for Gainsbourg
(Initials for Gainsbourg)
