The Kooks

I see the look, look on your face  
Never should have run  
Never should have ever should have raced  
Down here to help you  
To your hand, your disgrace  
Cause I see, love, in your eyes  
Never should have run  
Never should have let you lie  
Down, on my shoulder, babe

But oooil  
But oooil

I ain't got no need for territory, with you  
I ain't got no need for territory, with you  
I ain't got no need for territory, with you  
I ain't got no need for territory...

I take you down, down to the sea  
Can't you see honey, looking at me  
Like I've got some answer to some disease  
And I'm just happy, on your knees  
And I see, love, in your eyes  
Never should have run  
Never should have let you lie  
Down, on my shoulder, babe

But oooil  
But oooil

I ain't got no need for territory, with you  
I ain't got no need for territory, with you  
I ain't got no need for territory, with you  
I ain't got no need for territory...

Oil, oil, oil, oil, oil, oil, oil, oil  
It's all about  
Oil, oil, oil, oil, oil, oil, oil, oil  
It's all about  
Oil, oil, oil, oil  
It's all about, about oil
