

Talk About It

The Kooks

Full of love, full of danger
Come along little stranger
What happened still gets you down
Let's sit here and make a plan

No one else is listening
But I won't let you down

You don't wanna talk about it
So you go on a walk around it
I wish you would talk about it
Where did it go wrong?

Some people can't help themselves
It's in the sound of all your 12s
What happens to get you down
You're not the problem in this town

It'll be the best thing that ever happened to you
I promise you

You don't wanna talk about it
But you don't have to dance around it
I wish you would talk about it
Where did it go wrong?
You don't have to be so strong

You don't wanna talk about it
You wanna go on a walk around it
I wish you would talk about it
Where did it go wrong?
You don't have to be so strong
