

The Argument

The Kooks

You know you warm my body right
You know you make me feel alive
You know it's only just the night
It's gonna be alright

You try to chuck out all my clothes
I reach to keep the window closed
You know it's only just the night
It's gonna be alright

La-la la la-dee-la la la la la la
La-dee-la la la la la la
La-la la la-dee-la la la la la la
La-dee-la la la la la la

If I told you that I know I'm wrong
Would you stay at least until this song?
We'll negotiate and legislate
Our current state of mind
I'm not thinking of Caroline

We stained our ceiling with red wine
We fight and lie all the time
You know it's only just the night
It's gonna be alright, yeah

La-la la la-dee-la la la la la la
La-dee-la la la la la la
La-la la la-dee-la la la la la la
La-dee-la la la la la la

If I told you that I know I'm wrong
Would you stay at least until this song?
We should negotiate and legislate
For our current state of mind
I'm not thinking of Caroline

No, I won't tell you that I'm sorry
No, no, no
I'm sorry
No, I won't tell you that I'm sorry
No, no, no
I'm sorry
You're the girl
That I won't take
To marry

La-la la la-dee-la la la la la la
La-dee-la la la la la la
La-la la la-dee-la la la la la la
La-dee-la la la la la la

La-la la la-dee-la la la la la la
La-dee-la la la la la la
La-la la la-dee-la la la la la la
La-dee-la la la la la la
