

The Window Song

The Kooks

I look out my window
Oh just to see her arrive
She'll be gone just as soon as I open my eyes,
Just as soon as I open my...

And is this a dream that I'm having?
Oh it all seemed so real
Cause she'll be gone just as soon as I open my eyes
Just as soon as I open my eyes

And I give so very much
And I never never give enough
This love is turning me into something that I'm not

And I got my problems, yes
Oh I've got to be the best
This jealousy is turning me upside down

I look out my window
