Kool G Rap

Yeah, yeah

So now you know Queens is in the building,
But niggas be chillin' at the round table building,
The robberies and killers, yeah man
They ran up in the spot,
Knew the glock was in the ceiling
Sad niggas in the hood, get done for the millions
They bust get some rap, some be dealing,
But watch out for them thugs, you don't wanna f*ck with em,
'cause niggas real blame me, you have to f*ck and kill em,
They living like light just quite disast with em
Just niggas strong out, had your gun out when you see em,
That do money hungry and do what... want them
You stick it for 500 and flip it to a G
Put dope in the bags and sell it in the streets
You know as a hustler, watch it, her clutcher,
Diggin your pockets, turnin around and... butcher,
Money game when your game is street hustler,
Yeah, bad motherf*cker,
I'm a naturally born hustler,
We don't get caught up in between.

Hook:

Boss, got a hustler to hustler,
Some hustlers naturally born with street...
I'm a naturally born hustler
I'm a queen stand represent to the foolest.
Boss, got a hustler to hustler,
Some hustlers naturally born with street...

Bangin' on them past, hangin on them ass, ringin on that ass,
Rip hard the street slash my professional,
Yeah we still sparing in... , beating niggas
Leavin them like garden investitures,
Tryin to stay up while everybody doing bad,
Make a little lag, get low down like both stags,
It's too many brothers,
Walk around get smuthered for the every day word
Play game out the... not so cash underneath lots of ash,
We're all fathers used to play flame box and flash,
For the cameras, light bar vila with the hammers,
Too much beef, forget the motherf*cking sandwich,
From both finish with no folks and no friends
The pain of having chocking about you more trends,
Well I maintain on them blocks with oceans of love,
Lost four still keeping it rob, get that money thung.

Hook:

I'm a naturally born hustler
Coming for queens where we don't get up in between
Boss, got a hustler to hustler,
Some hustlers naturally born with street...
I'm a naturally born hustler
I'm a queen stand represent to the foolest.
Boss, got a hustler to hustler,
Some hustlers naturally born with street...

... but tell them niggas get that money
Call me eventually true against I talk with the dummy,
Dummy, he ain't running no... show at,
Think is a game, till I fuck one of your...
I'll make your eyes go back,
... the queens... on the boulevard,
You can let your room scream or you can get bullet scar,
You're like... stay here, is nothing to pull the job
'cause niggas know the shit, come out that map fully hard
But no far very take notice, you notice and learn to focus your harm
Niggas watching what time, niggas only rely, no harder desamble,
Real dirty with it, niggas who leave your ass for somebody to find you,
Here you get no weber on the front it,
You even hustle enough the... , the man is shaking down something
... shake body way on the way down something,
For real telling you boy you'd better move at the function.
