

# Can I Buy U A Drink?

Kool Keith

Yeah baby  
I just filled that Peterbilt from a 36 state run  
Long haul, carrying lumber

Can I buy you a drink?  
You look pretty in pink  
Can we hotel link?  
Tell me what you think

I'm always down to go out to the club  
To see somebody beautiful like you  
Y'knahmsayin?

Excuse me Linda, tippin soda with the bartender  
Tuxedo sometimes, your bodyguard's organized  
Studio mix, and everybody's now surprised  
I'm through the back door, walkin in a quarter to four  
Love me baby, love me lady  
Love me crazy, love me Daisy  
Yeah, can you check out where they goin at  
I'm not impressed man, kid where you flowin at?  
Crackin bottles, man where you floodin at?  
The waitress is gone, man when she comin back?  
That body is tight, with legs like a runningback  
Blow the words through her style like a future mack

I'm always down to go out to the club  
To see somebody beautiful like you  
Y'knahmsayin?  
(2x)

C'mere girl  
Yes you do  
I got my room  
I need you  
(2x)

Custom made, Benignis with the cuff links  
Pants end up with stares and the high winks  
I'm on the patio, exclusive in the rateo{?}  
Fly hotels, standin next to Mario  
CD to burn, bumpin in the stereo  
Ladies with legs, you can't be too material  
I'm back and I'm live, movin like Arsenio  
Gators is live, your man rockin pennyloafs  
Spanish lady, I'm freakin out Jenny most  
Stand up playa, move to a real post  
Squeeze up jab, girls movin up close  
Heat up the track, vocals burn like pot roast  
I'm in the groove black, gotta count uno dos  
Mexican swing, I tell you baby who you chose

I'm always down to go out to the club  
To see somebody beautiful like you  
Y'knahmsayin?  
(2x)

I keep it marchin, with a {?}sweety form archin man{?}  
Right down your number baby, jazz star parkin man  
Hand me the phone, yo Harry let me talk to Ann  
She like the Zeniti, anything popular brand  
Type of girl, lookin for a couple of grand  
Rings with rims, jewels for a couple of hands  
Wear that wealth, tonight I'ma change your plans  
After the club, hey love, I'ma take you to France  
Petals and roses hit the floor while you dance  
Confident yo, who you think's takin the chance?  
Pick up your girl, now you got a finished romance  
Pimpin the game, Globetrotter got an advance

I'm always down to go out to the club  
To see somebody beautiful like you  
Y'knahmsayin?
