Kool Moe Dee

Money (Get paid) x4

I know I'm rockin'  
So stop your sockin'  
Baby maybe if you play your cards right  
I'll be knockin' those boots in the future  
You're kindda cute  
You got a man I understand  
See I won't dispute you  
I'm here to have fun  
That's my only purpose  
Nothing more than good friends  
Cause that will only hurt us  
And I'm very jealous  
I know cause all the fellows  
And I get from the school of cool  
Where they tell us to get paid

I'm making money  
And now it's kindda funny  
All of a sudden the girls  
They want to give me honey  
They're always scheming  
Their eyes are gleaming  
Dollar signs written all over them, stop dreaming  
Cause I'm upon it and I know you want it  
I got the money and I know you want it  
You try to play me  
And you'll get played  
Cause I come from the school of cool  
And all we do is get paid

Trying to get money (Get paid)

At a party, girls they like to throw me body  
They figure it's easy cause they know that I'm a hottie  
I give them rhythm  
I hang out with them  
Then they always wanna know what else can I give them  
Nothing but a hard time and a hard way to go  
Don't tell you what you want to hear only what you need to know  
Don't let no wedding bells ring  
Don't pay no choir to sing  
Ain't no diamond ring in this thing  
I just want to get paid

Money (Get paid)

Whenever I'm dating girls they always heavy weighting  
Of course they cheating, philanthropy

Spending money having fun and eating out  
So they take me around to the best restaurants  
Hand me a menu and say you can have what you want
