

Graffiti Rock Theme

Kool Moe Dee

Graffiti rock

Now is the time for all the people all over the world

To see rappers, breakers, DJs, stars rocking

Shaking and breaking

Graffiti rock

It's gonna give you a shock

If you've never seen a breaker do a headspin

Said, check out this

Graffiti rock

And if you've never seen a DJ scratch a record on beat

Said, check out this

Graffiti rock

So bring your hats, your stage, your tightest-ass jeans

Cause we're gonna rock the Graffiti Rock scene

Action!
