

Clubbin'

Kool Savas

You know we be
Up in the club
Where we do things like
Throw our hands up
All kinds of drinks are
Off in the cups
All of my thugs
Honies show me love
DJ playing the cuts

I'm dancing with a nice honey
And her friend
One on the back and one on the front
Shaking it up, shaking it up
Mami don't break it
Taking it down, taking it down
I love the way you snake it
You got the best of me
Doing what you're doing
Up in the VIP
Doing what you're doing
Girl I'm about to buy you anything you want
Get you in the coup
And take your pretty ass home
Last call for alcohol
You know how we do, yeah

You know we be
Up in the club
Where we do things like
Throw our hands up
All kinds of drinks are
Off in the cups
All of my thugs
Honies show me love
DJ playing the cuts

Guck, ich geh nicht in Clubs, weil mich die Mucke wirklich interessiert
Ich bin heut nur hier um dem Volk mein Ice zu präsentieren
Ich seh' Bräute mit Dreads, die tanzen wie beim Schlaganfall
Die Schüchtern spielen, doch wollen, dass jemand sie auf der Parkbank knallt
Du hast kein Fun, du bist drunk und dir ist grad alles gleich
Du bewegst dich wie ein Schimpansen-Weibchen im Reifen Scheiße
Du schreist mir ins Ohr, meinst "Till' ab Joe" war mein bester Track
Mit Spucke in den Mundwinkeln, du bist der letzte Dreck
Bild dir nix ein, niemand schaut dir Leiche auf den Arsch
Bei dir flutscht es aus dem Mund, wie bei mir Scheiße aus dem Arsch
Ob Assel oder Tussi. Pussy ist Pussy
Muschi ist Muschi und ihr seid alles Fotzen, außer Mutti
Wir sind...

You know we be
Up in the club
Where we do things like
Throw our hands up
All kinds of drinks are
Off in the cups

All of my thugs
Honies show me love
DJ playing the cuts

Mami, you won't holla
I can spot you out the corner of your eye that tell you wanna ride
You looking at papi like uh-hh
Wanna hold hands
No amp, no man, Joe can
But you and your friend can both get rammed like uh-h
You's a private dancer
Low riders, when she walk pulling her pants up
It's all good baby
You know where I'm at right
In case you need be me come put it on your back side
Only if you act right
Damn it you doing it
Doing what you're doing
You're doing it to me
I picture you doing it to me like uh-h
I only came out because I'm here to find ya
After the bars last call
Be at the nearest dinner
We be Nextel tagging
SL waggon
You grabbing the whip
Just off of that XL Magnum
Damn it you're doing it
You and your friend
Next weekend if you're lucky we can do it again
Like uh-hh

You know we be
Up in the club
Where we do things like
Throw our hands up
All kinds of drinks are
Off in the cups
All of my thugs
Honies show me love
DJ playing the cuts
