

Down For Me

Kool Savas

Oh yeah, oh yeah
It's your turn now kid
Oh yeah
Bad Boy

I want a woman that's down for me
I want her there to take care of my body
I want a woman that'll wash my hair
Someone who's always there
I want a woman that'll show me things
Someone to fulfill my dreams
Settle down wit be my queen
She's the only one for me

Yo, Ebony complexion, came in my direction
Eyes made connection, body was perfection
And got a smile that will light your life up
She make a thug, put the guns and knife up
Definitely the type of chick you wife up
Tennis skirts and Niked up, throwin the bike up
Eleven hundred Ducatti, ain't as fine as her body
Don't believe me, should have been at the party
You can tell whether not was her hobby
The way niggas act, you would think J.Lo in the lobby
Or, maybe Beyonce, maybe Ashanti
The way I feel ma, I need a fiancé
The type of love that will last forever
Not a chick that's around just for half my cheddar
Wanna play wanna laugh together, even flash together
And girl you can get the cash whenever (Puff: Sing the song)

I want a woman that's down for me
I want her there to take care of my body
I want a woman that'll wash my hair
Someone who's always there
I want a woman that'll show me things
Someone to fulfill my dreams
Settle down wit be my queen
She's the only one for me

Wie könnt ich dich ernst nehmen du Freak
Du hast eine Bitch zur Frau meinst dass du sie liebste
Sie liebt dich auch wie die Säcke die sie saugt
Dicks die sie braucht
Mach die Beine auf jeder geht drauf BOOOM!
Sie gibt schneller als ein Junkie sich einen setzt
Und hat mehr Schwänze in einer Woche als dieser Beat Claps
Ha! Und du küsst sie auf den Mund wie ein Ochse
Sie lässt sich ochen und lässt die dann mit dem Mund an die Fotze
Sieh es ein! Sieh is ein... Groupie das für Koks-FICKT rigeros FICKT
Auf die Plätze Los FICK im Club auf Klo FICKT, will dass man sie tot FICKT
Schlägt und beschimpft vollwichtig und in den Po FICKT
Das ist tragisch traurig lustig lustig wenn man hört dass seine Freundin ne
Nutte ist
Is egal! Ich gratuliere dir zu so einer Frau zu so einer Sau
Las mich kurz mit dir reden geh raus und denk dir

I want a woman that's down for me
I want her there to take care of my body
I want a woman that'll wash my hair
Someone who's always there
I want a woman that'll show me things
Someone to fulfill my dreams
Settle down wit be my queen
She's the only one for me

Ayo, the things that you showed me, the way you consoled me
The way that you used to hold me might have mold me
To the man that you see in the flesh
I promise you, I could never be like the rest
Treat you like my moms, as far as the way that I love her
Feelings I'm feel inside, like the day that I hugged her
Open up the door, I help her out with the bags
Car get dirty, I help her out the Jag
Folks get flirty, I help em out with the mag
I ain't lyin', I'm in love wit you bad
Cause you something I never had, something I wanna lose
Something I gotta have, it's nothing for me to choose
But still I hope that I love get perfected
Even though on the low it get hectic
Feelings we share, don't need no correction
Let me be your angel and I'll be your protection
