

At the Party

Kool & The Gang

Everybody movin' at the party now
Everybody movin as they party down
Ooh-ooh-ooh, ooh-ooh-ooh...

Everybody's groovin', yeah, yeah
Havin' a real good time, my, my
Dancin' to the music on the stereo
Man, this party's deep, we don't want to go

Da-da-da-da-da-da-da-da, da-da-da-da-da
Boogie down

At the party where we get down

Do-ooh-ooh-ooh-ooh-ooh-ooh...
Do-ooh-ooh-ooh-ooh-ooh, party!
Party, party, party, party down
Everybody, yeah

At the party where we get down

Everybody's groovin', yeah, yeah
Havin' a real good time, my, my
Dancin' to the music on the stereo
Man, this party's deep, we don't want to go

Da-da-da-da-da-da-da-da, da-da-da-da-da
Boogie down

At the party where we get down

Party
Party...
