

# Big Chief Funkum

Kool & The Gang

Big Chief Funk no swing to nobody's thing  
Funk is what we bring!

Get down, Big Chief, get down

Big Chief gets funky all the time  
Funk stays on his mind  
Funk is really fine  
Big Chief says funk is in the mind  
Funk is really not  
A power to the prime

Some people really like to swing  
When they do their thing  
Thinkin' they're the king  
Big Chief don't really like to swing  
Swingin' ain't his thing  
Funk is what he brings

I like funkin' with you, Chief  
Can you show me how to funk it like you do

Yeah, get down, dance!  
Get down, whoa-whoa-whoa, yeah  
Get down, do it, do it  
Get down, do it, do it

I like dancin' with you, Chief  
Can you show me how to do it like you do  
Do it, do it

Stop pullin' my feathers!

Big Chief stays funky all the time  
If funkin' was a crime  
We'd be doin' time  
Big Chief says funk is what you feel  
When it's really real  
Doin' what you will

Some people really like to swing  
When they do their thing  
Thinkin' they're the king  
Big Chief don't really like to swing  
Swingin' ain't his thing  
Funk is what he brings

I like funkin' with you, Chief  
Can you show me how to funk it like you do

Get down, dance!  
Get down, whoa-whoa-whoa, yeah  
Get down, do it, do it  
Get down, do it, do it

I like funkin' with you, Chief  
Can you show me how to funk it like you do

Do it, do it

Get down, dance!

Get down, whoa-whoa-whoa, yeah

Get down, do it, do it

Get down, do it, do it...
