

Come Together

Kool & The Gang

Come together
Brother, come together
It's time for love and understanding
Come together

Everybody all over the world
It's time for love and understanding
Come together
Everybody all over the world
It's time for love and understanding
Come together

Everybody all over the world
It's time for love and understanding
Come together
Everybody all over the world
It's time for love and understanding
Come together

Everybody all over the world
It's time for love and understanding
Come together
Everybody all over the world
It's time for love and understanding
Come together

Sister, come together
It's time for love and understanding
Come together
Brother, come together
It's time for love and understanding
Come together

Everybody all over the world
It's time for love and understanding
Come together
