Kool & The Gang

I need a taxi

she's so hot fresh in the serious love reaction.

Give it to me

'cause I need your love!

Woman heal me

feel my heart-beat

Keep this body from a dangerous over heat.

Give it to me

'cause I need your love - emergency

emergency.

I need love

I need you

I need a cure

what should I do?

Give it to me - urgent ! Your love - emergency !

Sunday

I'm growing so strong

With every touch

baby

of your electric body.

You rescued me from the fire of heart-break

And you knew just what I should take.

Thank you

girl

for my survival and a love so strong.

You feel so good

it's so much more than physical

Everything is oh

so beautiful!

Girl

I need deep in my system

love your cool and so a dripping.

Give it to me - urgent!

'Cause I need your love! Emergency

emergency!

Sweet sensations

dancing through us - as we're making love.

Give it to me - urgent! I need your love

baby!

Emergency

emergency.

You energize me

standing beside me

Love and affection give satisfaction - give it to me!

Emergency
