Kool & The Gang

We are trying to say thank you
Through the message of all the songs that we're giving you
Our love is our music
Take this love we have as a sign of our gratitude

We wanna thank y'all
Gift of love, and your faith in us

Your gift of love

Through the message
We receieve clear
That allows us to make the music We give to you
Our hope is to lift lives
With our brothers' rights
And to spread love through all mankind

We wanna thank y'all
Gift of love
And your faith in us
Your gift of love
