

I Sweat

Kool & The Gang

Uh-oh

Uh-oh

Hey, okay

Your body motions to come over
Don't be shy, girl
I'm not gonna hurt you, baby
Let's get closer, temperature's rising
You want me and I want you

Let me touch you, baby
Let me hold you in my arms
Can I whisper, I whisper, baby
I wanna tell you that whenever you're near

I sweat, baby
You know you're makin' me sweat
I sweat, sugar
I sweat, baby
You know you're makin' me sweat
I sweat

You attract me, yeah, skintight girl
Sugar, and you're so sexy
And you move everything
The way it should be moved
I'm a victim, I can't deny it
Now that we're together, I get so excited
I sweat, baby
I sweat, sugar
I sweat, baby
You got me soakin' wet

I sweat, oh-oh-oh...

Rising temperatures
Are makin' me sweat, hey-hey

Play it
Baby, baby
Sugar, sugar

Just let me touch you, baby
Let me hold you in my arms
Whisper, I whisper, baby, yeah
(Sugar)
Ooh, whenever you are near

I sweat, baby
I sweat, sugar
I sweat, baby
You got me soakin' wet
I sweat, sugar, sugar

Play it
Ooh, baby, you make me sweat

(I sweat)
Oh, sugar, you got me soakin' wet
(I sweat)
Ooh, baby, you make me sweat
(I sweat)
Oh, sugar, you got me soakin' wet
(I sweat, baby)
Ooh, baby, you make me sweat
(I sweat, sugar)
Hey-hey
(I sweat, baby)
You make me sweat, oh, sugar, oh, yeah

I sweat, baby
I sweat, sugar
I sweat, baby
I sweat, sugar...
