

In Your Company

Kool & The Gang

I never thought I would be the one
To fall a victim, victim to my song
Of wanting you, you in every way
For that's how I feel about you night and day, yeah

All my thoughts of being with you
Are as pure as the snow
There's no place that I would rather be
(Hey-hey)
Than with you forever and ever

I wanna be, I want to be
In your company, hey, oh...
I wanna be, I want to be
Hey-hey, yeah
In your company, oh, oh, oh...

Sometimes when I'm all alone
The only alley is to call you on the phone
'Cause you're not there, so I go to my room
Pull out your picture and think of you, yeah

All my thoughts of being with you
Are as pure as the falling snow
There's no place that I would rather be
Than with you forever and ever

I wanna be, girl, I want to be

In your company, hey-hey
I wanna be, girl, I want to be
You and me, you and me, you and me
In your company
Na, na, na, na-na-na, na, na, na

I wanna be, I want to be
In your company, girl, I wanna be
I wanna be, I want to be
In your company, mm-hmm...

I wanna be, I want to be
Hey, yeah, hey, yeah, I want to be
In your company, girl can't you see
Yeah, yeah
I wanna be, I want to be
'Cause you comfort me
In your company
Yes, you do, yes, you do
You know you do, mm-hmm

I wanna be, I want to be
I'd rather have you in my world
In your company
'Cause you are the only girl for me
I wanna be, I want to be
In your company, baby
Ooh-ooh...

I wanna be, I want to be
In your company
