

# Mighty Mighty High

Kool & The Gang

Don't give in to lower vibes  
It will get you every time

Time is now and now is time  
Time to rise to higher vibes

Everyone around the world  
The time has finally come  
The people of the planet Earth  
We all must live as one  
All for one and one for all  
In peace and harmony  
Come together, one another  
For eternity, think about it

Well  
Oh-oh-oh-whoa...  
Well

It's time for us to understand  
Just what's in the master plan  
We was placed on Earth to be  
Masters of creation, see  
Life began for us to grow  
Peace and love we all must show  
The question's asked to make it clear  
Where do we all go from here?

Mighty, mighty high  
Mighty, mighty low  
Tell me which way does your mind grow  
Mighty, mighty high  
Mighty, mighty low  
Tell me which way does your mind grow

Tell me, tell me, tell me, tell me  
Tell me, tell me, whoa-oh-oh-oh...  
Tell me, tell me, tell me, tell me  
Tell me, tell me, whoa...

Everybody, sing together

Mighty, mighty high  
Mighty, mighty low  
Tell me which way does your mind grow  
Mighty, mighty high  
Mighty, mighty low  
Tell me which way does your mind grow

Be true to yourself and self will be  
True to you and we will see  
Self is what we ought to be  
Be yourself and you will see  
Open up your ears, you'll hear  
Knowledge of this atmosphere  
Universal consciousness  
Is the word that is the best

Mighty, mighty high  
Mighty, mighty low  
Tell me which way does your mind grow  
Mighty, mighty high  
Mighty, mighty low  
Tell me which way does your mind grow...
