

# Misled

Kool & The Gang

Late at night, body's yearning  
Restless night, want to be with you  
Someone's playing in the garden  
So enticing, he's sure to take a bite  
I don't know what's come over me, yeah

She's as heavy as a Chevy  
Pure excitement, misled  
When she touches, can't resist her  
I'm a puppet when she's playing  
She's outgoing but I love her so  
Misled

So I'm saying now

(chorus)

Baby baby, what's your claim to fame?  
Got me out of bed, heard you call my name  
What's this crazy place you want to take me to?  
Tell me, what's the price if I go with you?  
My heart? My soul? My love?  
Is that the goal?  
It's a thrill then I will  
Be misled, be for real

Thought I knew her, this lady  
Opportunist, misled  
Always searching for adventure  
Like Pandora's box, misled  
And I don't know what I'm gonna do without her

(chorus)

I've got this feeling and it's blocking my way  
But I love her just the same, just the same  
Oh yes I do

Misled, heard you call my name  
Misled, what's your claim to fame?  
Misled, said I would understand  
Misled, with a bomb of broken venus  
Misled, not a word is said  
Misled, baby that's your name  
Misled, what's what's your claim to me?  
My heart? My soul? My love?  
Is that goal?  
It's a thrill then I will  
Misled, won't you be for real?

(chorus to fade)
