

## Oasis

Kool & The Gang

Hey, wait a minute  
I think I see somethin'  
Hey, is that you?  
Hey, it's, uh, it's...  
I found you  
Water!

I searched the world thinking I'd never find you  
All of my chances were a million to one  
It seems that life would end before I found you  
But now my journey's finally ended, yeah

I found my oasis  
Yes, I found my oasis  
When I found you  
Hey, baby, ooh-ooh-ooh-ooh...

I see that now I should have never doubted  
For now my time has finally come, ooh, yeah  
It's been so long since I have waited for you  
Baby, I know you're the one for me

I found my oasis  
I found my oasis  
When I found you  
Hey, baby, ooh-ooh-ooh-ooh...

I found my oasis  
Yes, I found my oasis  
When I found you  
Hey-hey, ooh-ooh-ooh-ooh...  
Baby, yeah

I found you finally!

I searched the world never thinking I'd find you  
And now I have my oasis of love

I found my oasis  
I found my oasis  
When I found you
