

## Second Thoughts

Kool & The Gang

You told me that you were over him  
No longer lovers - not even friends  
You gave me your guarantee  
When you gave your heart to me - forever

Lately, Baby, you've been acting strange  
It seems that your heart has been rearranged  
When we make love you're not there  
I catch you staring in the air  
Just going through the motions -  
That's why I question your devotion

[Chorus]

Are you having second thoughts?  
Are you thinking about the one, girl  
That you lost?  
Are you having second thoughts?

I heard you calling out someone's name  
While you were sleeping right next to me  
You say it's only a dream  
And you don't remember a thing -  
But that's not the first time that it happened -  
Girl, that sounds a bit suspicious to me

[Chorus 2]

Are you having second thoughts?  
Are you thinking about the love, Girl,  
That you lost?  
Are you having second thoughts?  
Are you wishing that you would've made  
Another choice?

[repeat 3X]

[Bridge]

Than the one that you made -  
Are you thinking that I'll use you  
And then walk away?  
Was it something I said  
Or something I did?  
Tell me baby -  
Make me understand

[Chorus 2]
