

## Sunshine and Love

Kool & The Gang

I was working one cold, wet and rainy day  
With no place to go  
You came and showed me a better way  
Out of the rain  
Like a light switch on the wall  
You turned me on, sunshine and love  
You gave my life so much warmth and joy  
Sunshine and love

I'm so glad that he gave you to me, yeah, baby  
Now my life is finally complete

Sunshine and love  
Sunshine and love

I'm so glad that he gave you to me, yeah, baby  
Now my life is finally complete

Like the flowers in the spring  
You sure did bring your good, good love to me  
Yeah, yeah, ooh-wee, baby  
Sunshine and love, sunshine and love, yeah  
(Sunshine and love)

Came into my life with so much warmth and joy  
You made me such a happy boy  
Oh, yeah, yes, sir  
(Sunshine and love)

Sunshine, sunshine, sunshine and love  
Ooh-wee, baby  
You made my life so complete  
Ooh-wee, baby, knock me off my feet, yeah, ooh...  
(Sunshine and love)

Like a taste of honey, you sure are sweet  
Oh, baby, ooh, baby, yeah, yeah  
I just don't know, I just don't know  
What I would do without your sweet  
Good, good lovin', yeah, yeah  
(Sunshine and love)

I just wanna put my arms around you, yeah  
Hold you tight, yeah, all through the night  
(Sunshine and love)
