

# Sunshine

Kool & The Gang

Ooh-ooh-ooh, ooh-ooh-ooh...  
Ah-ah-ah, ah-ah...

Come with me and journey with my mind  
We will travel into greater times  
Spirits blend and flying around, strong with time  
In a truce, we'll make the union shine

We'll find our strength from above  
Life and rejoice and love

Do-do-do-do-do-do-do-do-do-do-do...  
Do-do-do-do-do-do-do...

Sunshine, my, my  
My, sunshine, sunshine  
My, my, sunshine  
Sunshine, my, my, my, my

Sunshine, my, my  
My, sunshine, sunshine  
My, my, sunshine  
Sunshine, my, my, my, my...
