

# You Deserve a Break Today

Kool & The Gang

Ha! Whoo!  
Alright!  
Doin' the do, doin' the do  
That's all I do  
Lookie here!

I get up in the morning  
I work nine to five  
I work real hard  
Just tryin' to survive  
The children say, "hey, daddy  
We got somethin' to say  
You've been workin' real hard  
You need a break today", alright

You deserve a break today  
(Take a vacation)  
Get on up and get away  
(Have a little fun)  
You deserve a break today  
(Out there in the country, son)  
Get on up and get away

Break it on down  
Got to break it on down  
Yeah, yeah, yeah, yeah

Doin' the do, doin' the do  
That's all I do  
Gotta get this thing off my back

Oh, my children was right  
I finally saw the light  
I went to a party  
And I boogied all night  
I say to myself  
Hey, it's not too bad  
I'm havin' the best time  
I ever had, alright, now

You deserve a break today  
(Doin' the do, look at me)  
(I'm gettin' down)  
Get on up and get away  
(I'm happy as I can be)  
You deserve a break today  
(Alright, alright, hey)  
Get on up and get away  
(I'm havin' the best night)  
(I ever had, get on down)

Break it on down  
Got to break it on down  
Yeah, yeah, yeah, yeah  
Ha, ooh-ooh-ooh-ooh...

You deserve a break today

Get on up and get away  
You deserve a break today  
Get on up and get away  
Break it on down!

Hey, everybody  
Break it on down  
Hey, everybody  
Break it on down...
