

# You Don't Have to Change

Kool & The Gang

I walked (I walked and walked)  
Like a zombie in the night  
You came (you came, you came)  
And you brought me back to life  
I tried so hard (I tried, I tried)  
To become the one you need  
But now you think that you're not enough for me

You don't have to change for me  
I love you just the way you are  
I'd rather change the sun and the moon  
Or see December's snow in June
