Korede Bello

When goodbye
Doesn't work
When make you cry

And its hurts
When your blue sky
Comes to shine
You can spend your night
On my shoulder
When sorry
Makes you cry
When your worries
Don't want to die
When you need
Somebody beside you
You could lay your head
On my shoulder
So, you don't have to worry no more
Baby no dey worry no more
If all I can do is to sing to you
To make you smile
I will sing
Ohhhh your favorite song
I'll be there to sing to you
Your favorite song
Just to watch you dancing to
Your favorite song
Don't tell you I love you
To your favorite melodies
Olulufe mi o
My favorite love
La la la la la la la
La la la la la la la la la

When you don't want to go back home
But there's no one to lean on
There's no backbone
When your strenght let's you down
And you friends ain't around
Spend your night
On my shoulder
When money
Talks too much oo
And everybody
Is talking in church (church)
When the sighs gets to loud
And the work gets too much
Lay your head
On my shoulder
So, you don't have to worry no more
Baby no dey worry no more
If all I can do is to sing to you
To make you smile
I will sing
Ohhhh your favorite song
I'll be there to sing
Your favorite song

Just to watch you dancing to
Your favorite song
Don't tell you I love you
To your favorite melodies
Olulufe mi o
My favorite love
I'll be singing
La la la la la la la
La la la la la la la la la

Ohh
La la la la la la la
I'll be singing
La la la la la la la

So, you don't have to worry no more
Baby no dey worry no more
If all I fit to do na to sing to you
To make you smile
I will sing (all your)
Your favorite song
I'll be there to sing
Your favorite song
Just to watch you dancing to
Your favorite song
Don't tell you I love you
To your favorite melodies
Olulufe mi o
My favorite love
La la la la la la la
La la la la la la la la la
La la la la la la la
