Joana  
Hot like a sauna  
She give me prana  
She give me energy ahh  
Don't want no  
Don't want no drama  
Bring it to papa  
I got the remedy

Ouu! Can't nobody do it like you  
Nobody move it like  
You do it, nice and slow  
Can even remember what we fighting for  
Ouu! Can't nobody do it like you  
Can't nobody move it like you do it  
Nice and slow  
Don't even remember what we fighting for

Give it to me  
Give it to me  
Give it to me  
Full time  
Make I give it to you  
Give it to you  
Give it to you

Cos sometimes it gets complicated  
But don't you take my love for granted  
So can you give it to me  
Give it to me  
Give it to me full time  
Cos I'll be here for a long time

So me study your body like say me dey I lecture  
Give me your body and make I give you pleasure  
Give you pleasure, with M3GA pressure  
This kinda love for relieve your tension  
Girl I know you like the way I'm running it  
Running through your mind, like a melody  
You ain't gotta worry I'm on top of it  
And when the drip drop she want all of me  
She tell me say

Ouu! Can't nobody do it like you  
Can't nobody move it like you do it  
Nice and slow  
Don't even remember what we fighting for

Full time  
Make I give it to you  
Give it to you  
Give it to you

But don't you take my love for granted  
So can you give it to me  
Give it to me
