As e better for me, everyday
Man power ko le se, Adura lo le, Adura lo le se o

It is alright, it is all good
Its the same boy, from the same hood
You dey feel me, I dey feel you
It is alright, it is all good
It is okay, it is alright
I no dey find trouble, I no dey find fight
Jamin to my song, with my baby am I right
It is alright, it is all good

Child hood memories in festac
Oh yes, I remember when we first started
Playing football, in ami backyard
I bare nobody would have guessed that
Then na dat young boy whe dey for mile two
Would be the one wey everybody smile to
Toba fe mo, lo bere mi l'agboju
My brother man, nothing is impossible
Cause everytime man wanna rise up
Them go try to bring you down
Them go tell you say ko le possible
But my brother man it is possible
Cause everytime I hold the award up
I realise say man no be God
When they tell me say ko le possible
But baba God tell me say it is possible, hu hu hu

It is alright, it is all good
Its the same boy, from the same hood
You dey feel me, I dey feel you
It is alright, it is all good
It is okay, it is alright
I no dey find trouble, I no dey find fight
Jamin to my song, with my baby am I right
Singing It is alright, it is all good

E go better for you, everyday
As e better for me, everyday
Man power ko le se, Adura lo le, Adura lo le se o
Better for you, everyday
As e better for me, everyday
Man power ko le se, Adura lo le, Adura lo le se o
