

# Tomorrow

Korede Bello

No oh oh oh  
Nobody knows oh oh oh  
Tomorrow oh oh oh  
Nobody knows  
Nobody knows

Nobody knows where time comes from  
Nobody knows when their time will come  
But time will, time will tell  
Time will kiss and tell

Time will say what nobody can say  
Time will change what nobody can change  
Time will, time will tell  
Time will kiss and-

I feel bliss every minute now  
I can feel my heartbeat meditative  
Every morning when I read my devotional  
So medicinal  
When I put my feelings in a song  
And me no listen what the people talk  
Ce la vie  
I don see, yeah I done it all  
Cos when you ascend to the pinnacle  
You realize everyday is a miracle

Vanity vanity vanity oh  
Everything na vanity oh  
I free my mind from the prison  
Everything get time and season

Nobody know where time comes from  
Nobody knows when their time will come  
But time will, time will tell  
Time will kiss and tell

Nobody knows if the money we chase  
Is gonna chase us away one day  
But time will, oh time will tell  
Time will kiss and-

No oh oh oh  
Nobody knows oh oh oh  
Tomorrow oh oh oh  
Nobody knows  
Nobody knows

No oh oh oh  
Nobody knows oh oh oh  
Tomorrow oh oh oh  
Nobody knows  
Nobody knows

Every new thing will be a past tense  
What goes around will come back to center  
Whether you love or hate back to sender

Cos when I lay my head I sleep tender

E see dey manifest  
E dey manifest o  
Oil dey head  
E dey manifest  
Abeg o na beg I dey beg o  
If you stress me  
Ogbeni  
Na to let go

Sanity sanity sanity oh  
Nothing sweet pass sanity oh  
Free your mind from the prison  
Cos everything get time and season

Nobody knows where time comes from  
Nobody knows when their time will come  
But time will, time will tell  
Time will kiss and tell

Time will say what nobody can say  
Time will change what nobody can change  
Time will, oh time will tell  
Time will kiss and-

No oh oh oh  
Nobody knows oh oh oh  
Tomorrow oh oh oh  
Nobody knows  
Nobody knows

No oh oh oh  
Nobody knows oh oh oh  
Tomorrow oh oh oh  
Nobody knows  
Nobody knows

I'm gonna spend the rest of my time  
With a smile on my face  
I'm gonna spend the rest of my life  
With a smile on my face  
It's okay  
It's okay  
It's okay

Alright alright alright, final question  
If you could travel back in time and just say something to your younger self  
, what would it be?
