

This shit right here is for you.  
All your faces I can see.  
You all think it's about me.  
I'm about to break.  
This is my fate  
Am I still damned to a life  
Of misery and hate.

You would never known.  
What I've done for you.  
What you may put me through.  
I'd do it for you.  
I could have never lived.  
If it wasn't for you.
