Korn

You can't bring me down  
Already had my life turned upside down  
I ride a downward spiral round and round  
But I keep flying  
I keep fighting  
You won't ever bring me down

I'm good, I'm fine  
This life's divine  
No hate, no shame  
No one to blame  
You might despise  
Your life with lies  
I won't chastise  
Even if you think you can

Bring me down  
Already had my life turned upside down  
I ride a downward spiral round and round  
But I keep flying  
I keep fighting  
You won't ever bring me

Down [5x]  
You won't ever bring me  
Down [5x]  
You won't ever bring me

I can't escape from the disdain  
Your heart, your pain  
Your drama is lame  
Why can't you find  
Some peace inside?  
I won't chastise  
Even when you think you can

Bring me down  
Already had my life turned upside down  
I ride a downward spiral round and round  
But I keep flying  
I keep fighting  
You won't ever bring me

Down [5x]  
You won't ever bring me  
Down [5x]  
You won't ever bring me

Hater [3x]  
Hater [3x]

I'm good, I'm fine  
This life's divine  
No hate, no shame  
No one to blame  
Why can't you find  
Some peace inside?

Hater [5x]

You can't bring me down  
Already had my life turned upside down  
I ride a downward spiral round and round  
But I keep flying  
I keep fighting  
You won't ever bring me down

Hater [4x]

You won't ever bring me down

Hater [4x]

You won't ever bring me down

Hater [4x]

Cause I keep flying

I keep fighting

You won't ever bring me

Down [5x]

You won't ever bring me

Down [5x]

You won't ever bring me

Down [5x]

You won't ever bring me

Down [5x]

You won't ever bring me down
