

# The Darkness Is Revealing

Korn

Here behind the curtain lies a darkness feeding  
Pooled inside, in hunger cries, and still it's eating  
Everything I had to hide is all on my sleeve  
In behind the curtain lies my soul, I'm bleeding

And I see it  
Can't believe it  
And the sun goes down  
Taking my heart

What is this I'm feeling?  
Is it a new beginning?  
Am I purging past regrets?  
Facing the hurt I'm dealing?  
How does one start healing?  
The darkness is revealing  
The bittersweet reality  
That this is the help I'm needing

Why must I be bastardized? My essence flees  
Search my mind and all I find is banded feeling  
Once you pull the bandage off, you feel the sting  
Only way to fix it is through painful suffering

And I see it  
Can't believe it  
And the sun goes down  
Taking my heart

What is this I'm feeling?  
Is it a new beginning?  
Am I purging past regrets?  
Facing the hurt I'm dealing?  
How does one start healing?  
The darkness is revealing  
The bittersweet reality  
That this is the help I'm needing

(Take a look around, it's the morning star coming for me)  
Take a look around, it's the morning star coming for me  
Take a look around, it's the morning star coming for me  
Take a look around, it's the morning star coming for me  
Take a look around, it's the morning star coming for me  
Take a look around, it's the morning star coming for me

Take a look around, it's the morning star coming for me  
Take a look around, it's the morning star coming for me

Is he friend, is he foe, is he high, is he low?  
Where the fuck I'm supposed to go?  
Where the fuck I'm supposed to go?

Take a look around, another morning star, it's coming for me  
Take a look around, another morning star, it's coming for me

Is he friend, is he foe, is he high, is he low?  
Where the fuck I'm supposed to go?

Where the fuck I'm supposed to go?

Feel me, heal me  
All that's in me  
Give it all back  
I can't have this  
Feeling, failing  
All that's creating

Fuck out  
Get the fuck out  
Get the fuck out  
Get the fuck out  
Get the fuck out  
Get the fuck out
