Korn

Hey, you  
Yes, I'm talkin' to you  
And what are you doing here?  
And why you look so sad, man?  
Brother, please come here  
Let's talk it, let it out  
Dear, you have nothing to fear  
Child, I'm the one that makes it oh so, so much better

I feel your presence standing there up in my face  
I feel the darkness haunting me with it's embrace  
I want to shed this, go to a place, a different time  
The plot unfolds, this meaning here I'll never find

Never find, never find, never find, never find  
Never find, never find, never find, never find

Hey, man  
What do we have here?  
Boy, looking so upset  
You're making it quite clear  
That you want nothing to change  
'Cause you're so willing to hurt  
Feel at home in the dark, boy  
Everything you feel, child, won't make it better

I feel your presence standing there up in my face  
I feel the darkness haunting me with it's embrace  
I want to shed this, go to a place, a different time  
The plot unfolds, this meaning here, I'll never find

You ever hear that voice in your motherfucking head?  
It goes  
Looking at you  
Poking at you  
Yelling at you  
Fucking with you

Looking at you  
Poking at you  
Yelling at you  
Fucking with you

Looking at you  
Poking at you  
Yelling at you  
Fucking with you  
Looking at you  
Poking at you  
Yelling at you  
Fucking with you

It's fucking with you  
It's fucking with you

I feel your presence standing there up in my face  
I feel the darkness haunting me with it's embrace

I want to shed this, go to a place, a different time  
The plot unfolds, this meaning here, I'll never find

Never find, never find, never find, never find  
Never find, never find, never find, never find  
Never find, never find, never find, never find  
Never find, never find, never find, never find
