

The Seduction of Indulgence

Korn

Oh, look at me
I'm taking a huge risk crossing this line
Oh, look at me
Determined that I'm not gonna win this time
Oh, what will be
I'm unprotected and painfully confined
Oh, come fuck with me
I think I'm ready all this time

Oh, come with me
They say the torture is divine
Looking at me
Oh, they take their time

Skinning me, stabbing me
Touching me, licking me
Raping me, skinning me
Stabbing me, touching me
Licking me, raping me
Skinning me, stabbing me
Touching me, licking me
Raping me, skinning me
Stabbing me, touching me
Licking me, raping me
Skinning me, stabbing me
Touching me, licking me
Raping me, skinning me
Stabbing me, touching me
Licking me, raping me
Skinning me, stabbing me
