

## The Seduction of Indulgence

Korn

Oh, look at me  
I'm taking a huge risk crossing this line  
Oh, look at me  
Determined that I'm not gonna win this time  
Oh, what will be  
I'm unprotected and painfully confined  
Oh, come fuck with me  
I think I'm ready all this time

Oh, come with me  
They say the torture is divine  
Looking at me  
Oh, they take their time

Skinning me, stabbing me  
Touching me, licking me  
Raping me, skinning me  
Stabbing me, touching me  
Licking me, raping me  
Skinning me, stabbing me  
Touching me, licking me  
Raping me, skinning me  
Stabbing me, touching me  
Licking me, raping me  
Skinning me, stabbing me  
Touching me, licking me  
Raping me, skinning me  
Stabbing me, touching me  
Licking me, raping me  
Skinning me, stabbing me
