Korn

Hey you, hey you, Devil's little sister  
Listening to your Twisted Transistor  
Hold it between your legs  
Turn it up, turn it up  
Low end is coming through  
Can't get enough

A lonely life, where no one understands you  
But don't give up, because the music do  
Music do [6x]

Because the music do  
And then it's reaching  
Inside you forever preaching  
Fuck you too  
Your scream's a whisper  
Hang on you  
Twisted Transistor

Hey you, hey you, finally you get it  
The world ain't fair, eat you if you let it  
And as your tears fall on  
Your breast, your dress  
Vibrations coming through  
You're in a mess

A lonely life, where no one understands you  
But don't give up, because the music do  
Music do [6x]

Because the music do  
And then it's reaching  
Inside you forever preaching  
Fuck you too  
Your scream's a whisper  
Hang on you  
Twisted Transistor  
Music do, Music do [4x]

Hey you, hey you, this won't hurt a bit  
This won't hurt a bit, this won't hurt  
Says who? Says who?  
Anesthetize this bitch  
Anesthetize this bitch, anesthetize!  
Just let me be  
Between you and me don't fit

Because the music do  
And then it's reaching  
Inside you forever preaching  
Fuck you too  
Your scream's a whisper  
Hang on you  
Twisted Transistor
