Koryn Hawthorne

Oh, you're a-  
Oh, you're a-  
Others when you can't feel pain  
And don't you  
Others when you can't feel pain  
And don't you  
Others when you can't feel pain  
And don't you know  
That a love can't

Yes, sir  
Body on appetite  
She's serving pressure  
Designer on her skin  
She can get whatever  
She walks in the room  
Energy goes to another level  
Oh-oh-oh

With a wave she knows she can take  
Every dollar in his bank  
Got him tipsy off loving her  
When he don't even drink  
Glass full of tears for the ice that she chase  
Sitting pretty, sipping on her 'pane

Every week she got a new purse  
But the bag can't carry the hurt  
Took a while for her to learn  
Just 'cause you got everything  
Don't mean that you got everything

All gold  
He call up the jeweler  
Bread long  
He don't need a ruler  
Money all over his medulla oblongata  
If it ain't about the paper  
You can tell that he want nada (Yeah)

Please don't let the glitz and glamour fool ya  
He know he popping  
But he just want some true love  
'Cause all of them girls  
All of them drugs still ain't enough  
That's why he looking for something  
To take him higher  
Higher

Every week he got a new chain  
But it still don't hide the pain  
And he can pay for anything  
But just 'cause you got everything  
Don't mean that you got everything

Na-na-na-na-na, na-na  
Na-na-na-na-na, na-na

Na-na-na-na-na, na-na  
Na-na-na-na-na-na-na  
Just 'cause you got everything don't mean that you got everything  
Outside you're rich, inside you're broke  
'Cause what you're missing, you don't know  
Just 'cause you got everything don't mean that you got everything  
You got the world but that ain't much  
It don't mean nothing without love  
Just 'cause you got everything don't mean that you got everything

But it still don't hide the pain  
And he can pay for anything
