

For The Truth

Koryn Hawthorne

In a life raft with the devil himself, I'm running
(I'm running, I'm running for the truth, hey hey)
Fooled me 'cause he looked like someone else, running
(I'm running, I'm running for the truth)
Feeling misunderstood
Am I living for the world 'cause I wanna look good?
(I'm running, I'm running for the truth, hey hey)

So much pressure, it gets hard
Help me Lord, Lord, Lord
Until you do I'm running
(I'm running, I'm running for the truth, hey hey)
Oh, I'm running for the truth, yeah yeah

Oh, world's gone crazy, I know you feel it too
Who's running?
(I'm running, I'm running for the truth, hey hey)
Revelation times, oh Lord, what are you gon' do?
(I'm running, I'm running for the truth, hey hey)
I wish people understood
That it says in the word it won't end good
(I'm running, I'm running for the truth, hey hey)
When the pressure gets too hard
Help us Lord, Lord, Lord

I'm running
(I'm running, I'm running for the truth, hey hey)
Oh, I'm running
(I'm running, I'm running for the truth, hey hey)
Oh, running, ohoh, I'm running
You know that I'm running

If you ready for a change move your feet
You know that I'm running
If you're looking for a chance to believe, baby
As long as we keep our feet on the floor
We'll be reaching for the truth, that's what we're running for

(I'm running, I'm running for the truth, hey hey)
Oh, I'm running
(I'm running, I'm running for the truth, hey hey)
Through the good times, through the bad
You know I'll be running, yeah yeah
Oh, I'm running, staying strong
Keeping on, you know that I'm running, yeah yeah yeah
Hey, yeah yeah
