

# Bleeding Pride

Korzus

[Verus]

Aim and shoot, destroy the other side, and now it's time  
Paint a red, ground of blood, beyond the dust  
Chaos, pain, death, blood, they all die young  
Kill the plague, no time to lie, no place to hide

[Pro-Chrous]

Today, extinction  
Today, all must pray

I'm your judge by my hands, you die fast or slow  
Greed, hate, cursed fate, embrace your disgrace

[Pro-Chrous]

[Chrous x2]

No way, no lie  
No place to die  
Bleeding pride

Aim and shoot, destroy the other side, and now it's time  
Paint a red, ground of blood, beyond the dust  
Greed, hate, cursed fate, embrace your disgrace  
I'm your judge by my hands, you die fast or slow
