

# I Was Wrong

Kosheen

It's not easy,  
for someone like me,  
to always see both sides.  
But in this situation I'd agree,  
yeah all right.  
I was wrong,  
I was wrong.

I'm sorry it took so long,  
to come clean if you know what i mean,  
or now it's all wrong.  
So can we talk it over,  
before you go,  
I'm wrong,  
yeah I was wrong  
I was wrong.

So can we talk it over before it's all gone,  
i'm wrong  
Yeah baby I admit it.

Hey, I was wrong,  
I admit it  
it was all be baby  
I'm wrong
