

## Out There

Kosheen

Out there  
(There)  
Can you give breath them my air

Out there  
Is there anybody out there  
Can you give breath them my air  
You must be happy now

(Out there)  
(Out there)  
(You still be than my air)  
(You must be happy now)

(Out there)  
(Out there)  
(Oh see oh let me out there)  
[Gibberish]
